FIRENZE

Dear Guests,

We are delighted to welcome you to Portrait Firenze. To make your arrival by car as smooth as possible, we are providing you with some detailed directions. We recommend setting your GPS destination to Piazza Carlo Goldoni. Once you arrive there, please follow the route described below. This precaution is necessary as GPS systems may not always be accurate in the historic center of Florence.

Route from Piazza Carlo Goldoni **A**

- At the roundabout, take the first exit onto Via della Vigna Nuova, heading towards Via del Parione;
- Slightly veer right onto Via del Parione;
- Continue on Via del Parione until you reach the end of the street;
- You will arrive at Piazza di Santa Trinita **B** (the square with the obelisk in the center);
- Circle around the obelisk and find Via delle Terme on your right, next to the Anna Fontaine store;
- Proceed along Via delle Terme until you reach the end;
- Turn right onto Via Por Santa Maria;
- Continue until you reach the Ponte Vecchio, then turn right onto Lungarno Acciaiuoli and follow it until you reach number 4. The Portrait Firenze will be on your right (near the bar/restaurant tables – the river will be on your left).

You have now arrived at your destination. **C**

Please note that the hotel is located within a restricted traffic zone (ZTL). During your journey, you will pass under electronic gates that control access to the historic center. Your car's license plate will be added to a whitelist upon your arrival at the hotel, which will prevent you from incurring any penalties. This whitelist only covers access to the ZTL and does not protect against traffic violations, such as driving in lanes reserved for emergency vehicles, buses, taxis, or police.
